Dear Valued Patient,

**We are excited to share that starting on November 1, 2024, Buxmont Pulmonary & Sleep Medicine will join Temple Health as part of the renowned Temple Lung Center.** With this transition, we will be moving to our new location at Temple Health Ft. Washington. You will continue to receive the same excellent care from the providers you know and trust, now with access to the Temple Lung Center's extensive resources and innovative treatments.

Benefits of Joining the Temple Lung Center

By becoming part of Temple Health, you will have access to a broader range of specialized services and advanced treatments that go beyond traditional care. As a patient of the Temple Lung Center, you may benefit from:

- Access to top lung specialists and care teams who are recognized nationally for their expertise in pulmonary and sleep disorders.
- New therapies and treatments, including clinical trials that may not be available elsewhere, providing more options for managing complex conditions.

What to Expect

If you already have an appointment scheduled after **November 1, 2024**, a member of the Temple team will contact you with additional details. After this date, your appointment will be at our new office location:
